A Little Help to Remember

I want to remember each precious face and name.

I am grateful for the warm and gracious welcome I have received throughout my first ten months of service at St. James. God has certainly blessed and surrounded me with faith-filled parishioners.

In the midst of counting my blessings, I am aware that remembering all your names is a very important operation. I have prayed to God seeking divine intervention to remember. However, there are so many parishioners to remember, and I realize that I am failing.

I have seen it written that one might have to see or use a word 20 times before one is able to memorize the word. Having become fluent in another language, I am well aware of the importance of word association and other methods to memorize. What I am asking of you is that you please continue to introduce yourself and your family to me. Your faith story and presence is very important to me.

I will continue to ask for divine intervention to remember your name. In the meantime, please help me to remember not only your face, but also your name.

Your Servant in Christ,

Fr. Matt

CELEBRATE July 4th!

Bring your lawn chair and join us for 8:30am Mass on July 4th, outdoors, in front of the Church!
(If inclement weather, Mass will be indoors)

All are welcome as we share in prayer and Eucharist on this wonderful summer holiday.

Our Charity

Thank you for your generosity to our charities during this month of June—the Fund for Retired Priests of the Archdiocese of Chicago, and Peter’s Pence.

As Cardinal George recently mentioned, Pope Francis encouraged each person to be a witness for charity.

“In dioceses where many are dependent on the Church for social and pastoral support, as well as regions where Catholics are persecuted for their faith, His Holiness extends his charity to those most in need. The Peter’s Pence initiative provides each of us the opportunity to be a witness for charity, and assists Pope Francis in strengthening dioceses, religious orders, and struggling communities of faith.”

We thank you for your generous donations this month!

Saints Peter and Paul

Today is something of a rarity: the celebration of a saint’s day that replaces the Sunday liturgy. Only a handful of these days, given the official rank of “solemnity” are considered so foundational and primal to the mission of the Church that they can interrupt the Sunday sequence. And so it is with Peter and Paul today.

In a way, they each have personality traits with which we can identify. They are both impetuous, sometimes acting or speaking thoughtlessly, contradicting the spiritual gifts given to them by God. At such times, they might receive a nudge from God, much the same as many of us experience. On the positive side, these men were deeply rooted in their faith in Christ, tireless and fearless in living out their call to spread the Good News of his death and resurrection. Perhaps we might identify more with one or the other, but the essential truth we celebrate today is this: Through the Spirit, Christ built and continues to build the Church and make the kingdom known through fragile, remarkable human beings, each graced in a particular way.

Dear Parishioner,

My name is Sr. Faustina Ferko and I am a Sister of the Holy Family of Nazareth, here in Des Plaines, IL. I just recently made my First Vows and I am very excited to be your new youth director! I was born and raised in Erie, PA. I have two older brothers with families of their own. I have 9 nieces and nephews who are the loves of my life. I attended Catholic school all my life thanks to the sacrifices of my father and learned how to be in relationship with God from this, my family and my parish youth group. When in High School, I really fell in love with Jesus and had a strong desire to lead others to Him and His great love for them. The desire was so strong I realized that I was called to work in the Catholic Church as a Youth Minister bringing young people the love of God I encountered when I was their age. I graduated with a BA in Theology from Franciscan University of Steubenville, and began working in the Diocese of Erie. First at a Diocesan level as the Assistant Director of Youth and Young Adult Ministry and then at a local parish, as the Director of Religious Education and Youth ministry. I moved on from there back in 2005 to become the Youth Director in a parish in Duncanville, TX. I organized Mission trips to Mexico, El Paso, TX, New Orleans, L.A. I also had many social justice events offered, such as; a 24 hours Food Fast to raise money for the Hungry, Youth Stand for Life trip to Washington D.C. to stand for the dignity of the human person, and a Homeless Sleep out to raise money for our brothers and sisters on the streets. There were also spiritual and fun activities I organized such as; Overnight Lock ins, Weekend and day long retreats, Steubenville Youth Conferences and hiking trips in Colorado. I stayed there for 7 years developing the Youth ministry program and having a lot of fun God moments until I entered the Novitiate in June of 2012. The Novitiate is a period of 2 years where a woman studies how to become a religious sister, how to live in community and deepens her prayer life.

I have been doing youth ministry for 10 years and it has enriched my life and strengthened my vocation. This will be my first experience doing Youth Ministry as a Religious Sister and I am so excited to see what God has in store for us. As a Sister of the Holy Family of Nazareth I share in our mission to serve families. Thank you for the gift of your youth. I hope that in ministering to them I can also serve your family. I look forward to meeting each of you. Please keep me in your prayers, and you will be in mine.

Peace,

Sr. Faustina Ferko

On May 1st and 2nd, St. James was privileged to host the Traveling Icon of Our Lady of Czestochowa. The Icon arrived at the Church early on the morning of May 1st, and was present for the 7:30am morning Mass that day. It was a very moving experience to see the beautiful Icon of Our Lady moving in procession down the center aisle of our Church just before Mass began.

After Mass, Adoration was offered in Church during the morning hours. Meanwhile, the Icon traveled to an abortion facility as well as a nearby monastery in Des Plaines.

The Icon returned to St. James after these visits, and remained in the Church throughout the day. St. James School students were able to visit the Icon with their classes during the afternoon, and the Church was open to all for prayer, Adoration and visits to the Icon during the day.

Mass was celebrated on the evening of May 1st at 7:00pm in the Church, by Fr. Peter West, who is traveling throughout the United States with the Icon.

Adoration was available in the Church all night during the Icon’s visit.

On Friday, May 2nd, our 7:30am morning Mass was celebrated in the Church, followed by a brief prayer service to bid farewell to the Icon of Our Lady as it prepared to leave St. James for its next destination.

What an honor it was for St. James to host the Icon of Our Lady of Czestochowa, and to offer our parish and local communities the opportunity to gather for prayer and Adoration in the company of this traveling Icon!

St. James Ministry of Praise
The Ministry of Praise is a spiritual ministry in which members offer their prayers to God to help others in need. This ministry was developed especially for the sick and homebound so that they can experience a closer relationship with the parish. Their prayers will provide a wealth of spiritual treasures that can bring God’s blessings on themselves and on the parish at large. There are no dues or meetings. If you or a loved one is interested in participating in this ministry, please contact parishioner Marilyn Neuman at 224-345-7200 or MinistryofPraise@stjamesah.org

THE IMPORTANCE OF EUCHARISTIC ADORATION AND PRAYER
The worship given to the Trinity of the Father and of the Son and of the Holy Spirit... must fill our churches also outside the timetable of Masses... This worship must be prominent in all our encounters with the Blessed Sacrament... Adoration of Christ in this sacrement of love must also find expression in various forms of Eucharistic devotion: personal prayer before the Blessed Sacrament, hours of adoration, periods of exposition – short, prolonged, and annual (Forty Hours) – Eucharistic benediction, Eucharistic processions, Eucharistic Congresses... Let us be generous with our time in going to meet him in adoration and in contemplation that is full of faith and ready to make reparation for the great faults and crimes of the world. May our adoration never cease.”

-Pope John Paul II

WHAT IS EUCHARISTIC ADORATION?
It has been the consistent belief of the Catholic Church from the very beginning that the bread and wine consecrated at Mass truly become the Body and Blood of Christ; and that, furthermore, as the Catholic Catechism states, this “Eucharistic presence of Christ [which] begins at the moment of the consecration...endures as long as the Eucharistic species subsist.” (CC #1377). In other words, the Eucharistic Christ then continues to be present in our midst beyond the Eucharistic liturgy when the consecrated host is either reposed in a tabernacle or exposed on the altar.

The Blessed Sacrament is exposed for Adoration in the Church at St. James every Thursday following the 7:30 am Mass until 4:00 pm. Starting at 3:00 pm, we recite the Chaplet of Divine Mercy, the Rosary, and end with Benediction.

Exodus Trekkers

Our Nun in the Blue Jump Suit Cautioned the Men: "Call Me 'Sister'"

There she was: a nun who at age 16 had vowed obedience, chastity and poverty, now working in the oil fields as a research chemist. And for the next 20 years, she'd be a co-worker among 1,400 employees, sometimes refining the language of men and, as one boss said, "showing but never telling" them how to live.

Today, after her career in a company blue jump suit, followed by decades as an educator, Sr. Joanne Grib, lives out her vows as an active 76-year-old convent member of the Sisters of the Living Word in Arlington Heights, Illinois. Once pocketing her Rosary beads during trips to oil fields and steel and paper mills throughout America or Venezuela, you now see her holding them as she walks the St. James church grounds...

So begins another inspiring interview of a unique 'Exodus Trekker' (originally posted on the St. James web page in 2011). It will appear for a week beginning June 29.

To go directly to the Exodus Trekker blog and several other interviews of parish members you might know, type in your computer's address bar http://exodustrekkers.blogspot.com/.

One of the eternal truths about parenthood is that parents worry. A lot. Before we have the baby, we worry about the pregnancy. Once the baby is born, we worry about every little thing that could go wrong. Then the big-kid years arrive with a whole new set of worries. A parent’s worry doesn’t stop through the teenage years and continues right into adulthood. A parent’s work (and worry) is literally never done. But as Catholic parents, we believe that God is with us every step of the way. It is a great comfort to know that we can bring our worries to God in prayer and place our children in God’s hands when needed. God does not promise to make parenthood easy, but he does promise to “be with us always, until the end of time” (Matthew 28:20).

Do I share my worries with God?
Do I believe God is with me in my day-to-day activities?

This was the Catholic youth conference theme for our first trek out to Franciscan University in Steubenville, Ohio June 13-15. Fifteen of our youth and Fr. Gilbert ventured into a weekend brimming over with praise and worship, flying beach balls, congo lines, Eucharistic adoration, outstanding speakers, small group faith sharing, intense prayer experiences and Mass with 1900+ teens. Talk about high energy! What a moment to hear 1900 of our beautiful youth clapping wildly because they GET TO go to mass! Over 45,000 teens will attend the 20 conferences put on by Steubenville this summer. If you were not with us this year, no worries….We are going back next year to celebrate our faith! Next summer’s theme is based on John 10:10-LIMITLESS! Please join us!

The Illinois Senate passed an advisory referendum for the November election in the form of House Bill 5755, asking if any health insurance plan in Illinois that provides prescription drug coverage be required to include prescription birth control as part of that coverage. HB 5755 now moves to the House. Here is the statement The Catholic Conference of Illinois issued on this initiative.

STATEMENT ON HOUSE BILL 5755:
Advisory Referendum on Mandated Birth Control

On March 28, three days before the end of the Illinois General Assembly’s scheduled adjournment, a new advisory referendum was proposed for the November 2014 ballot. A Senate committee on the same day approved the referendum, the full Senate passed it May 29, 2014, and it now goes to the House.

The proposed advisory referendum reads: “Shall any health insurance plan in Illinois that provides prescription drug coverage be required to include prescription birth control as part of that coverage?”

This question ignores important policy detail and lacks any semblance of context. First, since 2003, Illinois has required the vast majority of health insurance plans operating in the state to cover FDA approved contraceptive drugs for women. Moreover, beginning in 2013, the Affordable Care Act (ACA) has required health insurance plans nationwide to provide contraceptives, the morning-after pill and sterilizations without cost. The only exceptions to the combined effect of these mandates have been health insurance plans provided by religious organizations who object to paying for contraceptives, abortifacients or sterilizations. In fact, the constitutional questions of whether corporations owned by religious objectors or religiously-sponsored organizations (such as Catholic hospitals) are exempt from the ACA mandate due to its infringement on their First Amendment rights are before the United States Supreme Court. The Court’s first decision in this area is expected in June, and no advisory referendum in Illinois has any power to influence or modify its ruling.

The proposed advisory referendum lacks detail and context. It seeks to misinform and exploit, play so-called identity politics and further divide the people of Illinois. This effort should be recognized for what it is and rejected.
