
The people of Saint James Parish embody our mission to serve as disciples of Jesus Christ, committed to justice and peace through prayer, education, evangelization, and stewardship. We are blessed with a vibrant parish and school community, and a rich history of faith and service.

Guided by our strategic plan, we have accomplished much together in recent years. This includes the construction of a new school facility and significant growth in the number of parishioners actively involved in parish life. We are excited to embrace all that God has in store for us in the days ahead as we seek to further enact our strategic plan according to His will.

Open our Hearts in Welcome

The time has now come for the people of Saint James Parish to open our hearts in welcome. We envision strategic modifications to our church facility that will allow for our entire parish community to join together in worship and in fellowship with one another.

Renovations to our church will:

- Make our sanctuary accessible to all parishioners and visitors
- Double the square footage, increasing our worship and program space
- Add restroom facilities to the main level
- Create an informal gathering space
- Create an additional 50 parking spaces
- Add full kitchen facilities
- And much more!

Renovations will maintain the character of our church, while increasing the number of available seats to 824. The painted glass windows will be preserved, as will the integrity of the original design.

In addition to church renovations, the former school facility will be demolished. This will allow us to reconfigure the parking lot. A dedicated “drop-off” zone will be created increasing safety, and 50 parking spaces will be added. Activities currently taking place at the old school will be relocated to the new school facility or other areas across our campus.

These changes will help the Saint James community to address current, unmet needs. Most importantly, renovations to our church will enable parishioners and visitors with mobility challenges to join together as the full body of Christ in worship, in Holy Eucharist, and in celebration of the Sacraments.
Gathered in Jesus’ Name

For many years, the accessibility of our church has meant that parishioners with mobility issues have been unable to join us in worship. Steps and elevation changes in our church have created real challenges and served as an impediment. The only restroom facilities are located in the basement and are therefore completely inaccessible. Individuals who use a wheelchair to aid their mobility must cross the street and use our school facility.

Once renovations are complete, we will be able to welcome our entire parish community – from the very young to our respected elders – into worship for the very first time. It is our desire that all who enter our doors have their dignity preserved and honored. Changes to our church accessibility, including smart grade changes, dedicated areas within the sanctuary for those using mobility supports, and the addition of an elevator, will help us to accomplish this.

Renovations will allow us to welcome a greater number of individuals in worship, increasing the total number of seats to 824.

Fellowship with One Another

We were created to be in community with one another. Renovations to the church facility will create important space for fellowship and for church ministries. A larger narthex located on the south side of the church will promote and enable informal gatherings surrounding mass. A new meeting room, senior and youth space, restrooms and PADS facilities, and full kitchen will be added to the lower level. Each of these will allow us to welcome a greater number of children, youth, families, and seniors into ministry. Use of this new space will also mean that our school facility will be free for school and religious education use.
Campus Master Planning

As a part of the overall transformation of our parish and school campus, the old Saint James School facility will be demolished. Activities currently taking place in the facility will be moved to either the newly renovated and expanded church, to the parish center, or to the new school facility. Not only will this allow us to realize over $60,000 in savings per year, it will also make way for an additional 50 parking spaces. For the first time, we will also have access to our parking lot from Arlington Heights Road, greatly improving the traffic flow. Lastly, our campaign will include some strategic school updates, including new lighting and computer technology updates to ensure this facility remains an asset for our community for decades to come.

Our Request to You

We have a unique opportunity to shape the life of our parish now and into the future. The vision we have presented here will require an estimated $10 million beyond our current offertory.

We are seeking your advice and counsel to help us determine the feasibility of pursuing a significant fundraising initiative. We have partnered with CCS, a professional fundraising firm with nearly 70 years of experience in evaluating, designing, and conducting capital campaigns for Catholic parishes. In the weeks to come, we will be gathering your opinions through a survey distributed during Mass. Thank you in advance for sharing your thoughts.

Scouts

Scouting at St. James School is an activity where kids can learn honor, integrity, loyalty and service to others. The kids work hard all year to accomplish those goals through various activities. The Girl Scouts recently hosted a Mother-Daughter brunch where the older girls planned and ran games for the younger scouts. It brought together the whole troop, focused on honoring their mothers and having fun with each other. Similarly, the Cub Scouts had their Blue and Gold banquet, which recognized the achievements of the scouts from the year. All 43 cub scouts completed all requirements necessary to move on to the next level of scouting. Additionally, the 5th grade Webelos II achieved the "Arrow of Light" badge, the highest ranking of Cub Scouting. Both the Cub Scouts and Girl Scouts continue to focus on service to others and our Catholic faith.

The Women’s Center Baby Bottle Project

On Mother’s Day weekend, May 7th & 8th, St. James will be participating in the Baby Bottle Project, benefitting The Women’s Centers of Greater Chicagoland. This non-profit organization directly assists mothers and families experiencing crisis pregnancies by offering emotional, financial, material and spiritual support through counseling, clothing and monetary provisions, prayer and other aid. Each year, the three locations together have over 5,000 appointments with expecting mothers. By God’s grace, The Women's Centers have saved over 38,000 babies—and their mothers—from abortion since opening in 1984.

Please take a Baby Bottle home with you after Mass on May 7th or 8th, fill it with spare change, and return it on the weekend of Father’s Day, June 19th.

This is a simple, but crucial fundraising effort for The Women’s Centers. Please note that the Baby Bottles cost almost $1.00 per bottle and are recycled afterwards, so please return upon completion of the project. Thank you for helping defend life, and remember to keep all pro-life undertakings in your prayers.

**SWEATSHIRTS AND SWEATPANTS COLLECTION FOR BROADVIEW**

With our recent parish mission trip to Kino Border Initiative in mind, we are collecting clothing for detained immigrants at the Broadview Detention Center in suburban Chicago.

Immigrants are brought to the Center without having a chance to bring personal belongings. Sometimes they are brought in at night, in their sleepwear. They have nothing to wear as they are either deported or remain in the city awaiting future court dates.

Please bring new or gently used men’s sweatshirts and sweatpants, all sizes, to the Parish Center May 21st and 22nd, to the Coffee Sale area.

Interested in joining this committee? Email peaceandjustice@stjamesah.org
St. James Parish is hosting its 47th annual theatre production in July and 22nd annual Jubilation at James fundraiser in November. Both events are parish-wide and your company's advertisement could reach 4,000 parishioners and patrons of these events, raising the visibility of your business in Arlington Heights and the northwest suburban area. Our gatherings could bring in some of your best customers!

'A Mother's Life Is Not as Exciting as That of a War Hero, Yet Similar.'

So says St. James parish member Mary Paschall. She and husband Jim are raising seven children, and believe it or not, they appear to be joyous about it! What’s their secret? Well, a lot of it has to do with love and prayer, good group communication, and business-like organization. Your Exodus Trekker reporter recently had a candid interview with Mary to learn all about her typical day with her brood. You can read it when it appears in the May 1 church website.

Go to: HTTP://WWW.EXODUSTREKKERS.BLOGSPOT.COM or to the St. James web site and click on "BLOGS", then "MEDIA". There you'll also find many other inspiring face-to-face interviews with our parish family members.

Thank you…from Kolbe House

During these Easter days of new life, hope and inspiration, I want to thank the people of St. James for the Holy Thursday donation of $3,829.60 to Kolbe House.

In serving at the jail I have come to realize that life is very fragile and each day we have is a gift. As we visit our brothers and sisters in jail, we, the staff and volunteers of Kolbe House witness the fragileness, and we have learned to appreciate life more fully. Know that I am grateful for the parishioners of St. James’ concern and care for this ministry.

Make Memorial Day a “Banner Day” for your Hero.

March with us in the Arlington Heights Memorial Day Parade on Monday May 30th. Glueckert Funeral Home will create a Personalized Honor Ribbon bearing the name of your hero; Veteran or Active Duty, Living or Deceased. On the complimentary banner will be your hero’s name and the branch of the military served in.

It has become a great tradition for the Glueckert Family to sponsor an entry in the Arlington Heights Memorial Day Parade. We invite you to join us and honor a member of your family or a friend who has served or is serving our country. We’ll provide you with a customized “Honor Banner” bearing the name and branch of the service of your honoree. You may join us in the parade, or we can have a volunteer wear your banner and carry the American Flag for you. The parade ends in Memorial Park where your flag and Honor Banner will remain on display for the duration of the Memorial Day Ceremony.

The Glueckert Family asks that you bring your own flag to us at 1520 N. Arlington Heights Rd. by May 24th. We have a limited supply of flag poles to lend. As our gift to you and your hero, we will create and provide you with your Personalized Honor Ribbon with your honoree’s name and the branch of service. You may pick up your flag after Memorial Day at Glueckert Funeral Home from May 31 to June 4. Any flags remaining will be donated to the Arlington Heights American Legion Post #208.

Please drop off your flags and provide us with the Honor Banner information before May 24th.

Please provide the following information to prepare your Honor Banner:
