Thirty-First Sunday in Ordinary Time

Not My Problem

Paul was not bragging when he talked about the toil and drudgery he endured while proclaiming the gospel. He makes a point of his working so as not to burden anyone. He worked to support himself, rather than asking the new Christians to support him—just the opposite of what the scribes and Pharisees were doing, according to the gospel. Jesus accused them of laying heavy burdens on people, without helping them to bear those burdens. So what kind of burdens did the Pharisees impose?

The Pharisees and scribes were very familiar with the laws of their Jewish religion. Almost every detail of daily life was covered by some law. Originally those laws and regulations were meant to set the Hebrews apart from other peoples, to be a sign of holiness. But over the years, rabbis added more and more details to the laws, until it was almost impossible to keep them all straight.

But what if someone needed help on a Sabbath? If you broke a Sabbath rule, even for a good reason, you could not go to the Pharisees to get an exemption. They would say, "Not my problem."

Jesus, however, came to remind us that holiness is more important than scrupulosity. If we truly live the ideal of loving God with our whole being and loving our neighbor, we will find that love is much easier to bear than the fear of doing something wrong. Jesus also gave us his Holy Spirit to help guide us in the path of holiness. And through his death on the cross, Jesus gave us forgiveness if we do commit a sin. So keeping the law of love is no problem.

St. Vincent de Paul

We Need Your Help!

As you may have noticed, the food collection bins for those served by the St. James Society of St. Vincent de Paul have been removed from the Parish Center and Church. This is due to the fact that we need to close our food pantry down for the construction of the new church after the first of the year. Even though our pantry will be closed, WE WILL STILL serve our clients, providing much needed food and other services.

We are asking the generous St. James community for HELP! As we transition through the church construction, we will be giving out Jewel Gift Cards to our clients, instead of food. If you would like to help us with our mission we ask that you stop by the Manna table in the back of the Parish Center/Church, purchase a $25 Jewel Certificate, and ask the attendant to provide it to St. Vincent de Paul. We will be using these certificates to serve our clients. Whether you add the card to your order or just purchase it the same day, please inform the attendant that you are donating the card to St. Vincent de Paul and they will know how to complete the transaction.

Thank you for your support over the years. We will soon have a new church and a new pantry!

WHEELS TO WORSHIP

Matthew 25:40 “Amen, I say to you, whatever you did for the least of mine, you did for me.”

DRIVERS WANTED!
We are growing! In 2016 we provided 79 rides and we are set to more than double that number for 2017. Do you attend Mass in the Parish Center? Can you spare a few extra minutes to drive a passenger to the Mass you normally attend? Might your children benefit from witnessing you living your faith? Would interacting with a different generation be of interest to you or your family?

Some of our fellow parishioners need your help getting to Mass. We can help you make the connection to a meaningful experience.

Youth Ministry PADS Brunch

Each year the St. James hosts a breakfast/brunch for the PADS guests on Thanksgiving Day. This event is set up to not only provide a meal, but also a “holiday” like setting in which the guests can interact with member of the St. James community. All PADS guests are invited to arrive at 7 a.m. and stay until 11 a.m. We need parishioners to donate food and supplies for this Thanksgiving event. The following is a sample of food/supply items needed:

For a complete list of food, supplies and quantities, as well as volunteer opportunities, please go to our Sign up genius at: http://www.signupgenius.com/go/10c0549aae82ca1ff2-thanksgiving, or visit the Youth Ministry page on our website: www.stjamesah.org

We are also in need of magazines and interesting reading material for our guests.

This day provides a wonderful opportunity to participate as a volunteer. There are three shifts: 6:30 – 8:30, 8:30 – 10:30, and 10:30 – 11:30 on Thanksgiving morning. If you are not able to sign up for a specific shift, we need volunteers to just show up and interact with the PADS guests by playing games or engaging in conversation.

Note: All food must be fully cooked, ready to serve, and brought to the Old School Basement (east side of Arlington Height Rd, south end of parking lot) by 6:45 a.m. on Thanksgiving morning.

You may contact Nancy Moroney at njmoroney@gmail.com with any questions you may have or to sign up for food as well as volunteering.

In past years the St. James Community has been “over-the top” generous with donating food for this event…so generous that we have had to bring a sizable amount of left overs to other places. Once again this year we are requesting that you sign up for specific foods and quantities.
Mathematics is about understanding.

Saint James School provides a strong foundation in math that exceeds archdiocesan standards and leads to success in high school:

- Glencoe/McGraw Hill is used for their breadth of coverage, challenging concepts, and focus on higher order thinking
- Simple Solutions provides opportunity to “spiral review” so fundamental concepts are remembered over time
- IXL spans multiple technology platforms and is used for remediation, practice, and extension for students who can go beyond the classroom experience
- Students apply math concepts to real world situations & work with peers to problem solve

SJS tailors math instruction to the needs of its students:

- In early grades, teachers differentiate so students learn at the level appropriate for them
- Beginning in 4th grade, students are grouped into levels according to their in-class understanding, report card grades, Aimsweb benchmark scores, and ASPIRE test scores
- Teachers in all grades work together to make sure each year of math builds upon the last and culminates in students that are ready for the challenges of math in high school

SJS students are creative in math! Recent projects include:

- Researching how math is present in music, clapping beats, and explaining how each note relates to a rational number
- Creating circus games that use probability and odds

Psalm Response

Sung Psalm Refrain:

In You, O Lord, I have found my peace, I have found my peace.

Nicene Creed

I believe in one God, the Father almighty, maker of heaven and earth of all things visible and invisible.

I believe in one Lord Jesus Christ, the Only Begotten Son of God, born of the Father before all ages, God from God, Light from Light, true God from true God, begotten not made, consubstantial with the Father; through him all things were made. For us men and for our salvation he came down from heaven, (at words that follow, up to and including and became man, all bow.)

and by the Holy Spirit was incarnate of the Virgin Mary, and became man.

For our sake he was crucified under Pontius Pilate, he suffered death and was buried, and rose again on the third day in accordance with the Scriptures. He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead and his kingdom will have no end.

I believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and the Son, who with the Father and the Son is adored and glorified, who has spoken through the prophets.

I believe in one, holy, catholic and apostolic Church. I confess one Baptism for the forgiveness of sins and I look forward to the resurrection of the dead and the life of the world to come.

Amen.
Holy, Holy

To the Parents of
OUR YOUNGEST CHILDREN
may we suggest:

- RELAX! God put the wiggle in children; don’t feel you have to suppress it in God’s house. All are welcome!
- Sit toward the front where it is easier for your little one to see and hear what’s going on at the altar. They tire of seeing the back of others’ heads.
- Quietly explain the parts of the Mass and actions of the priests, deacons, altar servers, choir, etc. Sing the hymns, pray and voice the responses. Children learn liturgical behavior by copying you.
- If you have to leave Mass with your child, feel free to do so, but please COME BACK. As Jesus said, “Let the children come to me.”
- Remember, the way we welcome children in church directly affects the way they respond to the Church, to God, and to one another. Let them know that they are at home in this house of worship.

To the Members
OF OUR PARISH
please remember:

- The presence of children is a gift to the Church and they are a reminder that our parish is growing.
- Welcome our children and give a smile of encouragement to their parents.

Hello Everyone:
I have some Good News and some Bad News. First, the Bad News: I will not be at our November 8th meeting. Now that I think about it, maybe that's the Good News.

If that's the case, the really Good News is Joe Dillon and Duke Perry are taking over our November 8th meeting. Joe has picked out a "Ted Talk", that should be quite interesting. The talk is titled, "What the Discovery of Gravitational Waves Means” You say that you don't know what Gravitational Waves are? Well come to the Board Room of the Parish Office on November 8th at 10:00 and be BLOWN AWAY.
