A Message from the Pastor

Dear St. James Parishioners,

I am pleased to share with you our parish financial stewardship report for fiscal year 2017 - 2018. This report not only contains a financial accounting of our parish revenue and expenditures but it also highlights how your giving has made a difference in the lives of others. Stewardship is our opportunity to share with others what God has given to us. The St. James community does this with open hearts and exceptional generosity.

This report is a celebration of all that has been accomplished in the past year. As you read through it, please recognize the contributions you have made in the life of our parish.

I understand that there are three key reasons why people support their parish:

1. They believe in the mission.
2. They believe in the direction in which the parish is moving.
3. They know where the money is going.

I am grateful and humbled by the trust you place in me to be a good steward of all you contribute to St. James. My hope is that we will all continue to hear and answer the call to stewardship.

Your Servant in Christ,

Fr. Matt Foley
Pastor
Beginning with a strong capital campaign in 2016 that raised $10.5 million, *Open Our Hearts in Welcome* started construction in April 2018. By installing an elevator, bathrooms on the main floor, adding parking spaces and increasing the number of seats to 824, we are addressing multiple issues and creating a Church that is large enough to hold all of our weekend liturgies and more important, accessible to all.

In answer to frequently asked questions regarding windows, ministries and space: we were able to save all of our stained glass windows and add two new ones! PADS and St. Vincent de Paul will continue to serve our community from within these walls, and a new and much needed gathering area has been included in this design along with increased meeting and storage space.

These are exciting and historic times at St. James. Thank you for your prayers, hard work and sacrifice as we *Open Our Hearts in Welcome*! If you have not yet had an opportunity to support the *Open Our Hearts in Welcome* campaign but would like to do so, please complete the campaign commitment form found at www.stjamesah.org/openourheartsinwelcome.

**Open Our Hearts in Welcome Campaign Funding as of September 2017**

On average, anywhere from 10% to 20% of pledges are not fulfilled due to changing life circumstances. That would potentially increase the remaining funds needed to almost $850,000.

**Facility Maintenance & Improvements**

Facility improvements this past year addressed the aging infrastructure of the older section of the school. Major repairs were necessary as we experienced leaks in a number of classrooms and the sacristy. Classroom radiator motors that were installed in the original building are being replaced as they break down. By not replacing the radiator motors during the original school construction, we were able to extend their life by 10 years. Conversely, it was necessary to replace ALL of the walk off mats at every entrance to the building and as a result enlarged the area covered to reduce the risk of falling. Finally, our snow removal company kept the facility clean and safe by removing over 40” of snow last year.

**St. James App**

Initiated by the St. James Parish Communications Committee, the parish invested in the development of a new mobile phone app to enhance our ability to communicate with parish families. The parish app provides the latest information about the Masses and other spiritual opportunities, parish ministries, social groups and upcoming events to enable parishioners to more fully participate in parish life. With more people accessing the internet from mobile phones, the app enables us to communicate with parishioners who might not otherwise visit the parish website. The app provides quick mobile access to parish news, homily podcasts, upcoming events calendars, announcements, bulletins and multimedia content. In addition, school families can easily access the school directory, school forms and athletics calendars. More than 750 parishioners have downloaded the app via Apple or Google Play since it was launched on Christmas Eve 2017.

**Five Year Revenue vs Expenses**

![Five Year Revenue vs Expenses Chart]

- **Revenue**
- **Expense**

The chart above illustrates the five-year revenue and expense trends from 2014 to 2018. The revenue line appears to fluctuate slightly, showing periods of growth and decline, while the expense line remains relatively stable at a lower level throughout the years.
St. James School

As one of the largest schools in the Archdiocese of Chicago, St. James School continues to offer a quality Catholic education to almost 500 students who come from more than 20 different towns in the area. A top priority the past year has been technology integration in the classroom. Knowing that students who have daily access to technology are more involved in learning and do better academically, St. James School developed a three-year plan to increase access to technology for both students and teachers. Advancements in technology integration in the past year included providing all students with access to iPads, Chromebooks, Apple TVs and whiteboards with instruction on keyboarding, coding and interactive learning; and providing all teachers with Mac Air laptops purchased through the generosity of the St. James School Family and School Association.

Religious Education Program

The Religious Education Program at St. James offers faith formation to more than 600 students and continues to grow. Our religious education program relies on the dedication of more than 75 volunteers who teach faith formation to students and assist with Open Doors Ministry. The program offers a classroom style curriculum with volunteer catechists as well as Family Faith nights that gather the whole family with activities to become more engaged in the Religious Education community. This past year, more than 130 students were confirmed into the Catholic Church and 160 students received their First Holy Communion. St. James Religious Education program highlights include participating in Project Linus to make and donate more than 200 blankets to local area hospitals; and an architectural tour of Chicago area Catholic Churches for second-year Confirmation candidates.
On-Line Giving

In 2013, St. James introduced a new and exciting way for you to support parish offertory and second collections through on-line giving. Since then, more than 400 families have signed up to donate via on-line giving through our current program: Faith Direct. With Faith Direct, you can make regular automatic contributions to St. James using your credit/debit card or bank account, the same process that you may use to pay utility bills or other regularly scheduled payments.

Making your donations automatically means relief from the hassle of locating your offertory envelopes as you run out the door on Sunday morning, and guarantees that the church will receive your gifts even if you are unable to attend Mass. There is no fee to the parishioner to use Faith Direct. Automatic contributions greatly benefit St. James by providing a predictable cash flow as well as decreasing the time and money the church expends dealing with the envelope system. Faith Direct will provide you with personalized offertory cards that you may place in the basket, and a year-end tax statement.

We find Faith Direct a “win-win” for both parishioners and our parish. Please enroll in this program by picking up an enrollment form from the church office, or by visiting www.faithdirect.net to enroll securely on-line. Our parish code is IL859.

"Whatsoever I thankfully receive, as a token of God's love to me, I part with contentedly as a token of my love to Him."
~Theophilus Gale

Earlier this year, St. James embarked on a strategic planning process to help our parish answer the call for renewal that the Archdiocese of Chicago has put forth. This call for renewal is being implemented by the “Renew My Church” initiative and focuses on the goals of making disciples, building communities and inspiring witness.

St. James is not scheduled to be “activated” through the Renew My Church process until summer 2020 at the earliest. But, we’ve decided that while the external renovation of our church building is underway, we will take this opportunity to look inward and determine what internal renovations are needed.

The first step for St. James was to renew our mission, vision and values statements for our parish. This renewed language, adopted in May 2018, clearly states our mission, “to be disciples of Christ and make disciples of Christ.” A Gallup Member Engagement Survey available to all parishioners will help us assess the spiritual health of our parish. Information and updates regarding the strategic planning process can be found at stjamesah.org.
Second & Special Collections

Each year in lieu of taking second collections, St. James contributes approximately 6% of our annual offertory collection to the Archdiocese Second & Special Collection program. Second collections are an opportunity to support important causes that provide social service programs, education and evangelization beyond our parish boundaries and around the world. Below is a summary of contributions made by St. James Parish this fiscal year.

Charitable Giving

At St. James, during the course of the year we are often asked to donate to an event or cause that needs our support. These are requests for funding that we don't plan for, but know we have a responsibility to respond. These are our opportunities to support a much needed cause like food and clothing to those devastated by a hurricane, pastoral care and counseling to those incarcerated, and offering prayer and sacraments to those in the hospital. St. James charitable giving for the 2017-2018 fiscal year includes:

What Stewardship Means to Me
by Sheryl Lifka

Last year I had the challenge and privilege to co-chair Jubilation. At the event I talked about Simon. There is a station of the cross dedicated to him. The 5th Station: Simon carries the cross for Jesus. We know nothing about Simon. We don’t know his story. And that is the point. It is not about him and more importantly, it isn’t about me or you. Jesus is the one who carried the cross. The cross He carried is our sins, our struggles. Jesus came NOT to be served, but to serve (Mark 11:45). Jesus came into our world not just to serve us, but to save us from our sins, our struggles and selfishness.

Stewardship is a reminder of all that we have been GIVEN. Looking at the cross and at our Savior’s willingness to carry it, how can we not be like Simon and jump in to help carry it? Stewardship is simple. Stewardship is looking at our gifts, looking at our blessings, recognizing our sins, realizing our struggles and shortcomings and saying to Jesus, “Thank you.” Then, with gratitude, reaching out your hands to the cross, lifting it to your shoulder and telling Jesus, “I came to serve too... and I will help You carry the crosses of others.”

It is simple- Be Simon. To me, THAT is what stewardship is all about.

Annual Catholic Appeal

The Annual Catholic Appeal is an annual fundraising campaign that supports the parishes, schools, ministries, programs and agencies that serve the educational, physical and spiritual needs of the people of the Archdiocese of Chicago. Through Catholic Relief Services, the Appeal also serves people around the world, regardless of religious affiliation, whose lives are devastated by natural disasters, illnesses, wars and famine. The Archdiocese sets a goal for each parish for an amount to be collected and donated to the Appeal. Any monies raised over the amount of the goal is returned to the parish. In 2017, St. James Parish collected $157,522 of which $86,814 was returned to St. James with 527 parishioners participating in the Appeal.
For almost 25 years, Jubilation at St. James has provided parishioners along with their friends and families an evening of fellowship and fundraising. Over the years, proceeds from this event have been directed to where funds are needed most. This past year, proceeds from Jubilation of more than $250,000 went to PADS and St. Vincent de Paul; tuition assistance for students in the school and religious education program; and parish ministries and charities that provide education, humanitarian assistance, financial aid, pastoral care and more to those in our local community and around the world.

Jubilation at St. James 2017 Results
The Stewardship Fund Committee determines which parish ministries and charities receive funding from Jubilation. Members of the committee include the pastor and representatives from the Parish Pastoral Council and Human Concerns Commission. The process includes an invitation to all parish ministries and charities to apply for funding. Parish ministries and charities that received $159,975 in funding from the proceeds of 2017 Jubilation at St. James include:

“Based on the gift each one has received, use it to serve others, as good managers of the varied grace of God.” ~ 1 Peter 4:10
Stewardship Prayer

Loving God, I come to you in thanksgiving, knowing that all I am and all that I have is a gift from you. In faith and love, help me to do your will. I am listening, Lord God. Speak your words into the depth of my soul, that I may hear you clearly. I offer to you this day in all the facets of my life to be patient, to be merciful, to be generous, to be holy. Give me the wisdom and insight to understand your will for me and the fervor to fulfill my good intentions. I offer my gifts of time, talent and possessions to you as a true act of faith, to reflect my love for you and my neighbor. Help me to reach out to others as you have reached out to me.

FOCUS Parish Outreach

FOCUS Parish Outreach at St. James aids the parish in fulfilling our mission statement to "be disciples of Christ and make disciples of Christ" by helping parishioners, existing ministries and programs to raise up disciple makers who have a desire to make disciples and share their faith. Our efforts are working to create a culture of true missionary discipleship within the parish, in which parishioners grow as faithful disciples of Christ that are also fruitful in their mission to reach the entire parish, and eventually, the world. This is accomplished by meeting parishioners where they are and accompanying them in their journey of deepening discipleship through one-on-one or group discipleship and small group bible studies. This past year 27 parishioners have answered the call to work towards becoming missionary disciples as well as 85 parishioners participating in small group Bible studies. FOCUS Parish Outreach also highlights bringing a group of 40 parishioners to a Leadership Summit in Chicago in early January.
