Dear St. James Family,

Happy Catholic Schools Week! This week’s nationwide celebration honors the long-term benefits Catholic education has provided countless young people and society at-large and commemorates the effort and continued support of students, families, faculty, staff, and stakeholders of Catholic education for the 21st century.

There has probably never been a tougher time to be a parent, which is why there’s never been a better time to choose a Catholic school. St. James School provides a nurturing and rigorous environment where the entire community of parents, teachers, students, and parish is committed to spiritual development, as well as academic and personal success.

As a “lifer” in Catholic education, I’ve enjoyed a variety of vantage points. But I believe that my experiences as a parent of three children raised in Catholic schools provide credibility to my perspective in providing you with my “Pick Six List” for choosing a St. James School education for your children.

**Catholic Religious Identity**—Through common songs, prayers and liturgical practices learned at St. James School, students become united in a common vocabulary, memory, and tradition that binds them to a community life. Children learn through repetition; the repetition of rituals of our faith is practiced every school day. From prayer before meals, to blessing themselves with holy water, attending Eucharistic adoration, invoking the name of God in times of joy, pain, sorrow, or need—-these rituals of our faith become a part of our children’s livelong practices.

**Combating Religious Amnesia**—We live in a world that has grown immune to a sense of wonder and God’s active presence in our lives. St. James School helps children (and their parents!) develop a sacramental world view in which God’s love and guidance is both interpreted and invoked in the routine events of our lives. “Let us remember that we are in the presence of God” is not just an opening from a priest in the sanctuary during a liturgical event, but serves as the context for all of our Catholic schooling. In our lives, the practice of faith is seen as ordinary, a routine part of our lives. The practice of the Catholic faith is not a “Sunday thing”, but integrated into their daily lives each and every day at St. James School.

**Credible Catholic Role Models**—There are, no doubt, many teachers in public and private schools that are serious, authentic Catholics. The problem is they are not often able to make their faith explicit to their students. There are few forums which can show children direct connections between their faith, what they do and why. When teenagers watch their St. James School coaches worship with them at school Masses, when they see their St. James teachers and priests cheering for them at sport events and band concerts, a valuable connection is made. The modeling is exhibited and received in a way that trumps all preaching.

**An Integrated Family Life**—St. James School offers their families the chance for an integrated life—where school, the practice of faith, the extra-curricular life of our children, who their friends are, who OUR friends are, and the experiences we share together, can all become part of a whole, and not remain distinct, disconnected fragments that we must juggle. Given the centrifugal forces confronting our families, this integration is perhaps the greatest blessing of St. James School.

**Morality**—Current societal norms tell our children that the need to lead a moral life is all but impossible and that they are prudes to even try. At St. James School our kids are consistently reminded to look to their nobler instincts. We challenge them with the gospel message and show them that living out the gospel is not only possible, but noble and right, and yes, even "cool".

**Academics**—Extensive research indicates that students from Catholic schools score exceptionally well in a national comparison of all schools on standardized tests. St. James School can boast that our ASPIRE test results place 75% our eighth graders in the top quartile or higher in virtually every discipline. St. James School produces confident life-long learners who are leaders among their peers.

At St. James School, we know that we as parents need all these things as much, if not more, than our children. Seeing the world again through the eyes of our children, we can rediscover what many of us have lost as adults: a sense of wonder and a renewed "respect" for our faith and all the gifts with which God has so richly blessed us!

The staff and students of St. James School are so grateful to all St. James parishioners for their consistent support of our Catholic education. Please continue to pray for us as together, we work to build God’s kingdom on earth!

In August 2018 the Illinois legislature passed the Illinois Tax Credit Scholarship Program bill, *Invest in Kids*. This scholarship program awards income-based scholarships to students in grades K-12 who come from low-income families or have special needs. This bill gives more students an opportunity to receive a quality education. Since the bill’s inception, *St. James School* has received $34,500 in funding from the program.

**Matching Gift Challenge until February 28, 2019!**

A group of generous donors has agreed to pool their resources and offer a 2-for-1 matching gift program to schools run by the Archdiocese of Chicago. For every dollar designated to a qualifying school through Empower Illinois* from now until February 28, 2019, the school will receive two dollars in matching funds. The donations are capped at $100,000 per school.

After April 1, 2019, any matching gift program funds that are not awarded at a designated school will be reallocated to low-income students at schools with unmet demand. For more information please visit www.archchicago.org/tes or call 312.534.2617 to speak with the Tax Credit Scholarship Office at the archdiocese.

*Empower Illinois is a statewide Scholarship Granting Organization created in 2017 to serve Illinois children through the state’s tax credit scholarship program.*

We are delighted to share that Jubilation at St. James...Under the Big Top was a great success, raising more than $207,000 for parish programs, and local and global charities. Proceeds from Jubilation will go toward PADS and St. Vincent dePaul, tuition assistance for students in our school and religious education program, and parish ministries and charities that serve those enduring some of life’s greatest challenges. Third Sunday in Ordinary Time  January 27, 2019

Gloria

Psalm Response
Lord, you have the words of everlasting life.

Alleluia

Nicene Creed
I believe in one God, the Father almighty, maker of heaven and earth of all things visible and invisible. I believe in one Lord Jesus Christ, the Only Begotten Son of God, born of the Father before all ages, God from God, Light from Light, true God from true God, begotten not made, consubstantial with the Father; through him all things were made. For us men and for our salvation he came down from heaven, and by the Holy Spirit was incarnate of the Virgin Mary, and became man. For our sake he was crucified under Pontius Pilate, he suffered death and was buried, and rose again on the third day in accordance with the Scriptures. He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead and his kingdom will have no end. I believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and the Son, who with the Father and the Son is adored and glorified, who has spoken through the prophets. I believe in one, holy, catholic and apostolic Church. I confess one Baptism for the forgiveness of sins and I look forward to the resurrection of the dead and the life of the world to come. Amen.

This Day God Gives Me

1. This day God gives me Strength of high heaven,
   Sun and moon shining, Flame in my hearth,
   Flashing of lightning, Wind in its swiftness,
   Depths of the ocean, Firmness of earth.

2. This day God sends me Strength as my guardian,
   Might to uphold me, Wisdom as guide.
   Your eyes are watchful, Your ears are listening,
   Your lips are speaking, Friend at my side.

3. God’s way is my way, God’s shield is ‘round me,
   God’s host defends me, Saving from ill.
   Angels of heaven, Drive from me always,
   All that would harm me, Stand by me still.

4. Rising I thank you, Mighty and strong One,
   King of creation, Giver of rest,
   Firmly confessing God in three Persons,
   One-ness of God-head, Trinity blest.

## Kid’s Bulletin

### God’s Word for Children

**Third Sunday in Ordinary Time**

Jesus read words of the prophet Isaiah from a scroll (Luke 4:18). Isaiah described what God sent Jesus to do.

Solve the math problems to fill in the missing words.

- bring glad tidings to the<br> 7 captives (10 + 10)
- proclaim liberty to the<br> 8 free (16 - 8)
- give sight to the<br> 10 Lord (16 - 6)
- let the oppressed go<br> 12 = blind (20 - 8)
- proclaim a year acceptable to the<br> 20 = poor (27 - 7)

Each one of us is an important part of God’s family. Every part of our human bodies is important, too! Pick one of the numbers that make each sentence true.
