A Message from our Pastor, Fr. Matt Foley

September 8, 2019

Brothers and sisters,

I want to take a moment to alert you to a very important tri-parish effort this fall. St. James will join with Our Lady of the Wayside and St. Edna to present a Five Part Series on Mental Illness called "Meeting Mental Illness with Grace."

In any given year, the National Institute of Health estimates that 1 in 5 people deal with mental illness. So nearly every family will be affected at one time or another. This series will help our parishes to grow in awareness of issues and resources in our community, foster acceptance of people and families experiencing mental illness, and accompany one another.

Please read the bulletin article below, note the sessions starting on September 9th, and plan to join with our Catholic community in Arlington Heights for the series Meeting Mental Illness with Grace. It promises to be informative and uplifting!

Fr. Matt

Meeting Mental Illness with Grace

Isolation: You are not alone.

People with mental illness and their families may feel isolated from their faith community and thus isolated from God. If someone feels rejected by the church they feel rejected by God. Isolation is often caused by the stigma associated with having a mental illness. The fear of being judged as inadequate or weak willed, or the misperception that God is punishing them because they did something wrong, or the communities misperception of what mental illness is and how it affects the individual and their families are powerful contributors to the isolation and loneliness that people feel.

As a healing community we can support people with mental illness and their families with unconditional non-judgmental love in the following ways: increase our awareness of mental illness and where to get help; offer prayers and support for individuals and families who are affected by mental illness; serve on parish committees for outreach to individuals and families, get involved in peer to peer ministry; and work on the justice issues affecting mental health care.
From the Adoration Chapel

Diane Adam is one of our wonderful Hourly Coordinators for the Adoration Chapel. She recently sent this letter to her group of committed adorers, and we thought it would be good for the whole parish to read. Thank you, Diane, for sharing this and for all your work on behalf of the Perpetual Adoration Chapel!

Dear Faithful 5PM Adorers,

On August 5th, a disturbing PEW survey came out stating that 69% of Catholics do not believe Jesus is truly present in the Eucharist. **You proudly reflect the 31% who know the beautiful truth.** The best time you spend on earth is with Jesus, your Best Friend, in the Blessed Sacrament!

"How great is the value of conversation with Christ in the Blessed Sacrament, for there is nothing more consoling on earth, nothing more efficacious for advancing along the road of holiness!" (Pope Paul VI, Mysterium Fidei)

Adoration is like a training ground to help us see Jesus in those who need us the most--the poor, the abused... Bishop Barron shares this in a YouTube video on the Eucharist. The link to it is [https://youtu.be/FYA2xhsp26s](https://youtu.be/FYA2xhsp26s) or just search for Bishop Barron—The Eucharist Problem. Please take time to view this video and share it with others.

It has been 3 months now since the opening of our Adoration Chapel on June 9th. You, my friends, are growing in holiness and helping our parish and community to grow in holiness as well.

P.S. Please pray for the success of Alpha which starts this month and is the kickoff for St. James’ Evangelization efforts. **“Be a Disciple, Make a Disciple”**

ST. JAMES RETIRED MEN’S GROUP

Gentlemen:

Welcome back from our summer break. I hope all is well with you and that you had a great summer pursuing all that is important to you.

To start our new season, I don’t think we could have picked a better speaker. He is so knowledgeable, articulate, witty, and he has a great hairline. He is none other than our own FR. RYAN Mc MILLIN. I have been so impressed by his wonderful homilies and how special they are. He always has a meaningful message for everyone. And what really impresses me is how he speaks without any notes. What a memory he has!!!!

So please join us on the 11th of September at 10:00am in the Board Room and welcome our newest Associate Pastor.

Open Our Hearts in Welcome Campaign Update!

Our humble thanks to the parishioners who have graciously honored their pledge commitments to our Open Our Hearts in Welcome capital campaign! We are into our 3rd year of the 5-year timeline and are grateful for your incredible generosity. At the close of July 2019, we are anxiously awaiting roughly $2M in pledged gifts and hopeful to receive some new donations too. If you are new to St. James, or if you did not have the means to support the campaign previously, or if you have already supported but would like to increase your gift, please contact Julie Cohen, Development Director at jcohen@stjamesah.org. If you are on schedule with your pledge payment but would like to pay off the remaining amount, we would indeed welcome that! In the coming weeks a letter will be sent to all parishioners with further information on the progress of the campaign.

It is with great praise that we, a community of hopeful believers, have created such a beautiful worship space inside and out. Thank you, St. James Parish, for opening your hearts and welcoming all who wish to journey in faith with you.
