Let the peace of Christ control your hearts, the peace into which you were also called in one body.

Colossians 3:15
“Do not be afraid” to try something new this year to help your family become closer to Jesus. A few suggestions that I dream about happening in your home this New Year.

- In 2020 pray an hour before the Blessed Sacrament in the Adoration Chapel. (Register online at adoration@stjamesah.org)
- In 2020 make a local or international service trip to share your blessings with others in need.
- In 2020 make the time to pray before every meal.
- In 2020 seek to find a new scripture passage that guides your family.
- In 2020 repair a relationship that has caused pain within your family.
- In 2020 invite a person to pray with you.

My prayers go with you and your family into this New Year.  
- Fr. Matt

In today’s gospel, we hear about St. Joseph’s obedience to God and his swift action to protect his family. One section of this Gospel that especially resonated with me is “the angel of the Lord appeared to Joseph in a dream and said, “Rise, take the child and his mother, flee to Egypt, and stay there until I tell you. Herod is going to search for the child to destroy him.” Joseph rose and took the child and his mother by night and departed for Egypt.” What an incredible model of faith and trust in the Lord. St. Joseph does not hesitate for a second. He takes God’s word and acts on it immediately.

As a father myself, I have a personal devotion to St. Joseph and look to his example as the adopted father of Christ. His ability to give everything he has to his family and to ask nothing in return is something I admire. I believe that St. Joseph is the ultimate model of what it means to be a strong man of faith. In the education world, we model activities, behaviors, and routines for our students so they can learn from our example. Men young and old should look to St. Joseph as their model of how to conduct themselves and how to put the needs of others above their own needs. Being a man in today’s common culture is confusing. Boys and young men are taught to look to the powerful, the wealthy, and the popular as examples of what it means to be a man. St. Joseph did not have power, wealth, nor was he winning any popularity contests. Being a man is doing what is right no matter what, living out the Catholic faith, and helping lead others to heaven. That is how St. Joseph lived his life. These qualities are where real happiness exists and where agape love manifests. We should teach our boys and young men to model themselves after St. Joseph. We should also teach girls and young women about the desirable qualities of St. Joseph that make him a fantastic husband and father.

Go out today and teach the children and young adults in your life about St. Joseph and teach them to find a way to live up to example.

At the beginning of Advent, Religious Ed had a Family Holy Hour with adoration, a talk, and praise and worship music. We invited families to sit and rest in the presence of Jesus before the coming busy season. Between the presence of Jesus, the power of the Holy Spirit, and the fellowship of the RE community we had a great night! Families that attended had this to say:

“Every time we come to a family night, we learn something new! The Adoration Night allowed for an interactive, real-time conversation with our children about our faith which made the moment and our experience more meaningful,” agreed both the Murray and Tatum families.

“We really enjoyed the Holy Hour. The Holy Hour is a great opportunity to put aside every day worries and really be present in prayer. It is very difficult to turn off my to-dos, and this was a great way to do it;” said R.E. Parent Jennifer C.

“The Holy Hour is a place to go when you want to forget everything you are doing and be present with God - especially the Holy Spirit,” Shannon C., Jennifer’s daughter chimed in.

Our families look forward to this same encounter with Christ at Thursday ADORE nights in the church. We invite you to join us in the New Year!

A year end word from the Development Director...

I hope you all had a peaceful and joyous Christmas! I cantored two masses on Christmas Eve, one Christmas morning, hosted Christmas dinner, worked four days, and celebrated my twin boy’s 12th birthday last night. Every year I mentally prepare myself for this busy stretch and every year it ends with my heart so full that I can barely find the words to express my gratitude. I am incredibly lucky to count so many blessings from God...all in just five days!

We are all a blessed faith-family here at St. James. Over the past couple of weeks you have seen various bulletin ads and social media posts on ways to share your blessings with St. James School or Parish. Again this week there is a notice about the IRA distribution opportunity (QCD) for those over 70 ½-years old. Amazon Smile will be in effect continuously and is such an easy way to shop Amazon while donating to St. James year-round. Other ideas to support St. James is through a gift of stock (contact Barbara Krawczyk at 224-245-7239) or simply, a cash gift.

Additionally, in the bulletin this week you will find a flyer about the 2019 Tax Credit Scholarship (TCS) Program. The Illinois Invest in Kids Tax Credit Scholarship program provides tuition assistance to families in need of financial support to attend a Catholic school. Currently, St. James School has 21 children receiving financial aid either through the TCS program, or through our traditional Tuition Assistance fund. Please consider the TCS program between now and February 29th to take advantage of the 2-for-1 matching gift program that can triple the impact of your gift to St. James School. We rely on TCS to keep our enrollment strong and give as many students as possible an opportunity for a Catholic education.

Finally, you will soon be invited to a Legacy Planning Luncheon in January. (Subsequent luncheons will be scheduled throughout the year for snowbirds who have flown south for the winter.) Our intention is to educate parishioners on the kinds of future gifts that can be made to St. James that support the legacy you wish to someday leave. Professionals in estate and financial planning will be presenting and answering questions. Stay tuned on the exciting opportunity to be included in our “St. James Living Legacy Society.”

In closing, we are sincerely and humbly grateful for all of your financial gifts to St. James this year. We are a beautifully thriving parish thanks to the tremendous stewardship you have shared.

Wishing you good health and JOY in 2020!  

Julie Cohen

Did you know? That if you are age 70 1/2 or older you can donate up to $100,000 per person, per year, from your IRA or other tax deferred account to St. James Parish and not have to pay income taxes on the money? It’s called a Qualified Charitable Distribution or QCD. In fact, using a QCD is the only way you can guarantee getting all the tax benefits from your donation regardless of whether you itemize your deductions. Some parishioners have found it to be tax advantageous to bundle their plate donations and make a lump sum QCD donation at any time, even in advance for 2020. This donation can be all or part of your RMD (required minimum distribution). Please consult your tax advisor. Thank you for your generosity!

“Give, and it will be given to you.” Luke 6:38

HAPPY 2020 AND THANK YOU FOR SUPPORTING ST. JAMES!
Donate today and reduce your state income tax!

Looking for a way to decrease your Illinois state income tax liability? What if you could decrease what you owe to the state and potentially increase your state tax refund, while also helping fund scholarships for low-income students to attend the Catholic school of their choice?

The Illinois Invest in Kids tax credit scholarship program awarded scholarships to more than 5,000 students in the first two years. This year, you can help make a Catholic school education a possibility for even more children by contributing to the program.

Thanks to the generosity of several donors, between now and Feb. 29, 2020, you can also take advantage of a 2-for-1 matching gift program, which will triple the impact of your gift!

HERE’S HOW IT WORKS:

The Garcia family makes $50,000/year and pays $2,475 in Illinois State income taxes.

Each option provides a refund back to the family. However, Option C completely eliminates the family’s tax burden and provides nearly $10,000 in scholarships for students to attend St. James School.
