Connections to Care

2022 Jubilation Recipient

“Thank you to our remarkable volunteers, staff, board of directors, donors, grantors, and community supporters who have helped us provide transportation services to clients within 14 communities, spanning 4 townships and covering 5 medical complexes. Connections to Care could not exist without your support.”

-Charlene Padovani, Executive Director, Connections to Care

2022 was a year of exciting changes and successful rebuilding, as Connections to Care added new clients, trained additional drivers, and adopted a more comprehensive mission statement that better reflects all that Connections to Care provides seniors in our community: *To connect with older adults and help them care for their health and maintain their independence.*
