STORIES OF POSITIVE IMPACT  
BECAUSE OF YOUR JUBILATION CONTRIBUTION

## Viator House of Hospitality

2022 Jubilation Recipient

***“Thank you, again, for being part of our international, interfaith community of hope, healing, and opportunity. Since 2017, St. James has donated a total of \$42,175.”***

**-Fr. Corey Brost, C.S.V., Executive Director, Viator House of Hospitality**

Because of you, today, at Viator House of Hospitality, there are 22 young men from 12 nations who escaped violence to seek asylum in the U.S. They are safe, though thousands of miles from family, and able to learn English and work while they adapt to life in the U.S. with the help of our small international staff and dozens of volunteers - some from your community. Most of these young men escaped to the U.S. as 17-year-olds and came to Viator House from federal youth immigrant shelters on their 18th birthdays.

## WITH THE JUBILATION GIFT:

Viator House of Hospitality is able to continue to house 22 young men from 12 nations. The image you see below - from their stairwell - shows how you have helped touch the world. Since opening in 2017, Viator House has welcomed 102 young men from 25 nations.

## JOIN US THIS YEAR:
