***St. James Mission Statement: Be Disciples of Christ. Make Disciples of Christ.***

## **Purpose of Saint James Proper and Affiliates Marketing:**

Marketing is vital for the success of Saint James proper, formation groups, faith communities, and apostolates as they work to fulfill the mission of St. James and ultimately the mission of the church; to make disciples of all nations. All publicity (content) produced must work to fulfill the mission of the parish and the church more broadly.

There are four primary channels/mediums a group, community, or apostolate can market their respective events or messages using St. James marketing channels.

- St. James Social Media Channels (Facebook + Instagram)
- St. James Website
- Bulletin
- Mass Announcements

## **How To Begin a Publishing Request to St. James Marketing Channels:**

Go to submit a ticket page ([stjamesah.org/submit-a-request](http://stjamesah.org/submit-a-request)) on St. James website:

1. Ensure you are following the content creation rules and the marketing channel(s) you're requesting rules and guidelines
  - See "*Creating Content Rules*" section of this publicity toolkit
  - See "*Guidelines and Rules for Posting to Parish Marketing Channels*" section of this publicity toolkit and the corresponding channel
2. Open a New Ticket
  - Click on the blue button that says, "Open a New Ticket," in the upper right-hand corner.
3. Submit Your Details
  - Enter your contact details and select a help topic. After completing the required information, click "Create Ticket" to submit your request. You'll receive a confirmation email with your ticket number.
4. Track Your Ticket
  - To look up the status of your ticket, select "Check Ticket Status," on the homepage of the ticketing system.

If you have specific questions on publishing any content, reach out to these Saint James positions:

- Digital platforms (social platforms or website) reach out to the Director of Digital Evangelization
  - Mark Jacks: [mjacks@stjamesah.org](mailto:mjacks@stjamesah.org)

- Mass announcements reach out to both the Bulletin Editor:
  - Natalie Conseur, Bulletin Editor: [nconseur@stjamesah.org](mailto:nconseur@stjamesah.org)
- Bulletin reach out to the Bulletin Editor: [nconseur@stjamesah.org](mailto:nconseur@stjamesah.org)

Depending on what content you wish to publish, the above positions will work together with the submitter to ensure that your message is best matched to the medium requested to publish on.

### ***Creating Content Rules:***

When publishing any content to a platform listed above it is vital to ask these questions to ensure the content is relevant to a viewer and publishing appropriate to Saint James channels:

- \*Is the content fulfilling the mission of St. James/mission of the church?
- \*Is the content in line with Catholic Church teaching?
- \*Is this content following brand guidelines? (See section titled: *brand guidelines*)
- \*Does the content follow platform best practices?
- Does this content educate my prospective audience?
- Does this content entertain my prospective audience?

\*These four points must be followed for any content that is created for publication on St. James proper marketing channels or *anyplace* St. James name is attached. If any piece of content fails to meet the four required points we will work with you to adjust the content accordingly.

### ***If You Need Assistance Creating Content:***

Reach out to the above positions for the channel desired to be published on. Come prepared with:

- If an event:
  - Provide dates, time, place, what's occurring, registration requirements, top 1-3 highlights occurring (e.g., speaker on a topic, music, food, drink, etc.).
- If a general message post:
  - Provide the content you would like to highlight.
- (Not Required) For either request provide samples from other publishers of what you are hoping the graphic will have in look and feel. The team will work with you to create a graphic that matches the desired feel and message and the platform that is being requested.

## Guidelines and Rules for Posting to Parish Marketing Channels:

Use this section to understand how to submit content to a specific marketing channel once you start your ticket request.

### *Parish Social Media:*

#### **Facebook (FB):**

##### *Platform Summary:*

Facebook is currently the largest social platform Saint James operates with 2,283 followers (as of September 2022). The platform reaches an audience that is a good representation of current parishioners that have leaned into what is occurring at the parish. ## Parish Mass Announcements:

### *Platform Summary:*

Announcements are made by our cantors prior to the start of each weekend mass and are intended to inform our community of parish news, liturgical events, and other opportunities to connect, learn, and serve at St. James. We are limited with time for announcements but will do our best to accommodate requests. A visual slide for the church screens typically accompanies announcements to reinforce key points (such as an event date) but is not required.

### *When submitting a request:*

- Utilize the Parish Operations Request form for your submission:  
<http://parishoperations.stjamesah.org/>
- Provide a short paragraph for the cantor to read with an approx. length of 20 seconds.
- Specify the preferred weekend date(s) for your announcement.
- Complete the form no later than 10 business days prior to the weekend you'd like your announcement to be read.

### *When submitting a graphic for the church screens, follow these steps and specs:*

- Widescreen/Landscape format
- Ratio of 16x9 (1920px x 1080px)
- Limit the amount of text displayed to allow for large font sizes and better visibility in the church rear. A minimum font size of 25 is recommended.
- Include editable version of graphic when submitting (example: PowerPoint, Word, Google Slides)
- Submit your graphic at the time of your request by attaching your file within the above Parish Operations Request form.
- Include any links in the graphic. Link URLs will not be said by cantor.

  - Natalie Conseur, Bulletin Editor: [nconseur@stjamesah.org](mailto:nconseur@stjamesah.org)
- Submitting requests at least 10 business days in advance allows time for us to work with you on revising graphics and to review wording and scheduling needs with our Liturgy Director & Staff.
- All submissions are subject to final approval by the Director of Liturgy.

## Brand Guidelines

The fundamental purpose of branding is to easily identify the source (the brand) of a piece of content, product, or service. Branding builds memory structures for a viewer to keep the brand top-of-mind when a viewer is ready to take an action (e.g. come to mass, seek out information, dive deeper into formation, etc.).

A brand is made up of unique elements that make it distinct and stand out among its competitors and must be used in *any* marketing activity. Those elements are:

- Name
- Colors
- Logos
- Fonts
- Taglines
- Symbols
- Style

Saint James Parish actively uses five elements:

- *Name:* Saint James Parish Arlington Heights
- *Colors:* Navy Blue, Light Blue, and Red (see color section for specific color codes)
- *Logos:* St. James emblem and name – (reach out to Director of Digital Evangelization for a specific logo for groups, faith communities, or apostolates)
- *Fonts:* Futura (see font section for font name and download)
- *Taglines:* Be disciples of Christ. Make disciples of Christ.

### BRAND STRATEGIES

THE FUNDAMENTAL PURPOSE OF BRANDING IS TO EASILY IDENTIFY THE SOURCE (THE BRAND) OF A PIECE OF CONTENT, PRODUCT, OR SERVICE. BRANDING BUILDS MEMORY STRUCTURES FOR A VIEWER TO KEEP THE BRAND TOP-OF-MIND WHEN A VIEWER IS READY TO TAKE AN ACTION (E.G. COME TO MASS, SEEK OUT INFORMATION, DIVE DEEPER INTO FORMATION, ETC.).
